A photograph of two children, a boy and a girl, seen from behind as they look over a black metal railing. The boy on the left is wearing a teal t-shirt and shorts. The girl on the right is wearing a white t-shirt with a colorful cartoon pattern and a blue and yellow patterned skirt. They are standing on a balcony or walkway with lush green trees and foliage in the background. The scene is brightly lit, suggesting a sunny day.

Summer Screenings

5 days. 12 movie screenings. 1,500 attendees.
1 momentous gathering direct from our outdoor amphitheatre, free for everyone to enjoy.
Greenford Quay's Summer Screenings, sponsored

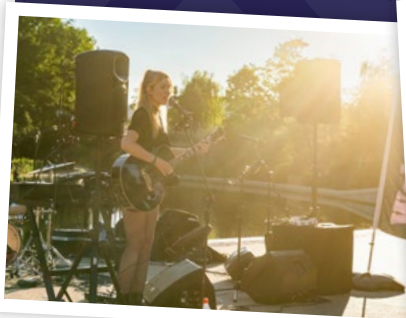

by Telford Homes, saw the larger Greenford community come together to watch family favourites and cult classics, including Grease, Get Out, Encanto, and Room on the Broom. We'll be back next year, see you soon!

Thursday Night Live: Back by popular demand!

After a smashing run of performances from last year, Thursday Night Live was back by popular demand in July. Sponsored by Telford Homes, guests soaked up

Assistant Community Manager Rebecca Dorsett joins the team to work with the growing Greenford Quay community.

customer-facing roles, having worked

Joining the Greenford Quay team as Assistant Community Manager in August 2022 was an easy decision because I love being in

hospitality in South Africa, the United States, and the UK over the years.
My role covers both Tillermans Court and Lyons Dock and will expand with the development. Since joining, my favourite thing about my role is creating a memorable stay for our residents. Today, the Greenford Quay team is

working to build upon the excellent foundations set for community living.

When I'm not onsite at Greenford Quay, you'll find me travelling with family and friends, taking my dogs for breath-taking walks around London, or using Design My Night to plan a fun activity or new experience.
