THE BIG WEEKENDER

Free and open to all ages, the Summer Series kicked off in June with a two-day Big Weekender launch event, including Eats & Beats (Friday) and Street Food Saturday: Garden Party Edition (Saturday). With 900+ attendees, our residents and locals enjoyed live lounge music sessions, great grub from street food vendors, boat trips, live food demos, all day activities for the kids, and more. Thank you to everyone who joined us to open our third Summer Series at Greenford Quay.

The Big Weekender: Eats & Beats, including music collaborations with the brilliant Mothers of Music Agency and fabulous street food partners, Trash & Treasure Market.

STREET FOOD SATURDAYS

Rolling on from The Big Weekender's garden party edition, the vibrant Street Food Saturday events have included an incredible selection of locally-based food vendors with flavours from around the world and interactive food demos curated by our brilliant partners Trash & Treasure. Plus, attendees had the exclusive opportunity to learn a new culinary skill with monthly food demos, from learning how to make Crème Brûlée to the perfect Espresso Martini.

Spotlight

Assistant Community Manager Leandro Telo Lopes joins the team to work with the growing Greenford Quay community.

"The decision to join Greenford Quay as Assistant Community Manager was an easy one. The opportunity to bring my residential, hotel, and business experience to support community and development projects is exciting to me. I'm also looking forward to

the social events we have planned, and making sure residents feel comfortable and welcome in their new home. I'm passionate about creating a strong sense of community and belonging, and I'm excited to be part of that journey."

SUMMER SCREENINGS AND FRINGE CINEMA

Greenford Quay's Summer Screenings and Fringe Cinema experience were sponsored by Tide & Vision and The Lock at Greenford Quay. We saw 1,600+ guests from the larger Greenford community come together to watch family favourites and cult classics.

Hand-picked from over an amazing 300+ responses from the Greenford Quay community, the Summer Screenings schedule included Finding Nemo, Pirates of the Caribbean, Toy Story and Shrek, to name a few. And our new luxe Fringe Cinema experience hosted groups of 14 pax at Lyons Dock's private cinema to titles such as Pulp Fiction, Snatch, Fight Club, The Full Monty and more.

Thank you to everyone for your film suggestions, joining us and braving the weather at our outdoor amphitheatre.

GQ LIVE SUMMER CELEBRATIONS

GQ LIVE; Canal Side and Around the World, were two new events to form part of the 2023 Summer Series. Canal Side saw attendees dance the night away with a Latin and tech house DJ lineup, outdoor activities and cocktail bar. And the Around the World event the following afternoon included interactive workshops, Bollywood performances, live music and more.

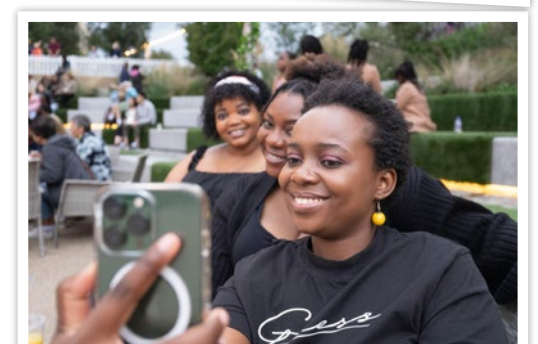

GREENFORD QUAY'S CANAL FESTIVAL

Our massively popular Canal Festival, sponsored by The Lock at Greenford Quay, returned to close out the series this August bank holiday with boat trips along the canal, yoga classes, nature walks, street food vendors and even MORE entertainment.

This family day out also featured participants from the community hub, including The Puddin Co, Alma Blue Yoga, Sans Art, GSura Artistry, I Beads UK and Ecoance.

HORSENDEN PRIMARY SCHOOL VISITS GREENFORD QUAY

Year 2 students from Horsenden Primary School visited Greenford Quay to tour Tillermans Court and ask some great questions about how the development will improve the local area.

"The students were incredibly excited to be onsite. We discussed how Greenford Quay has created a wonderful communal environment with the canal crossing and exciting events! Our time together ended with lots of thanks and big hugs from many of the pupils." - Rebecca Dorsett, Assistant Community Manager at Greenford Quay

JOE & THE JUICE DISCOUNTS FOR RESIDENTS

Greenford Quay Residents were treated to fresh juices and delicious sandwiches to celebrate the launch of Greystar's exclusive partnership with Joe & The Juice. Residents of Greenford Quay can visit the digital village for more information.
