SUMMER SERIES 2024 IS IN FULL SWING

The Summer Series is the hottest event series of the year at Greenford Quay, and it's back in 2024. The opening weekend kicked off in May, with the Eats & Beats and Street Food Saturday events, attracting over 750 residents in May and over 600 in June. Attendees enjoyed street food from local vendors, music and lots of dancing.

Our top highlights include Adriano on Sax, whose soulful tunes enchanted everyone at Eats & Beats, and the dazzling Amelia Sparkles, who mesmerised the crowd with her colourful hula hoop performance at Street Food Saturday. We loved seeing you all and can't wait for more incredible moments this summer! Both events will return in July, August and September.

GREENFORD QUAY SUCCESSFULLY DELIVERED OUR NEWEST BUILDING, THE GLASSWORKS, SIX WEEKS AHEAD OF SCHEDULE

The Glassworks opened its doors to new residents at the beginning of January, and the full building completion, including full amenity access and a landscaped garden with a child's play park and dog park, concluded in May 2024—six weeks ahead of schedule.

Extended landscaping along the canal will benefit residents from Greenford Quay and the

surrounding area throughout the year. The Glassworks features light-filled, spacious apartments that seamlessly blend into natural canalside surroundings. Drawing inspiration from the laid-back elegance of Northern Californian design, the interiors exude a sense of simplicity and informality, providing versatile living spaces ideally suited to any mood or occasion.
