Spotlight:

Welcome Alvaro and Sewli who have joined Greenford Quay.

Hi, I'm Sewli! I come from a background in sales and customer service, with experience in the resourcing and build-to-rent sectors. I've recently moved from Coppermaker Square to

Greenford Quay, and I'm genuinely excited for this new chapter—new place, new people, and fresh opportunities to grow.

Outside of work, I'm passionate about dance—I've even had the chance to perform at iconic venues like British Parliament and Birmingham Town Hall and many other renowned venues across the UK. I also enjoy drawing, cooking and creating dance reels. I'm always keen to learn, collaborate, and bring creativity wherever I can. Looking forward to working with you all!

I am fortunate to work for Greystar in a fantastic location that makes coming to work each day an absolute pleasure.

The work environment is welcoming and positive, with a supportive team that fosters collaboration and growth. I truly look forward to each day, as I am able to apply my experience and skills to contribute meaningfully to the work we do. While continuously learning and growing alongside such a great team at Greenford Quay, makes my job a rewarding and fulfilling experience.

Farewell to Leandro and congratulations Junaid! Leandro Lopes the Assistant General Manager at Tillermans has been promoted and therefore we say a fond farewell as he goes over to Hayes to be Community Manager. We wish him the best of luck and thank him for his amazing contribution to Greenford Quay. We are delighted to announce that Junaid Yawar has now been promoted to Assistant Community Manager and will be looking after Lyons Dock.

I am excited to step in the Assistant Community Manager role after being at Greenford Quay just under a year. This has been an amazing and multifaceted role exposing me to the versatility and dynamic nature of customer service, development and building community.
